Ben Ford Paul is a family business, established in 1930 and currently controlled by Brian Paul, grandson of the founder Ben Ford Paul. In our capacity as Engineers' Merchants, we carry an extensive stock in our premises at 41 West Princes Street, Glasgow which are located close to Charing Cross and convenient for the M8 Motorway.

We have 70+ Years of experience to fall back on having supplied hand tools, power tools, fasteners and other consumables to the engineering and other industries for many years.

Listed below are some of the items stocked but we shall be pleased to quote for any tool-related products which do not appear on the lists.
